

CALL FOR ABSTRACTS

Congress of
Specialty Chapters
WFNS · FLANC · SMCN · SLANC

Last update: 04/06/2026

Abstracts on neurosurgical topics and related specialties are invited to participate in the 2026 Congress of Specialty Chapters.

Accepted abstracts will be presented on a podium or poster in this meeting, June 11-14, 2026, at the International at Doral, Miami.

Prospective and retrospective clinical studies, basic sciences, surgical techniques,

Technology-related reports, case series and case reports are welcome.

*Presentation of abstracts is sponsored by the Latinoamerica Valerio Foundation. The best abstract will be published in the scientific journal of the Latin American Federation of Neurosurgery (FLANC).

Reception of abstracts will be until May 20, 2026

Abstract submission is only via email to: info@latinoamericavaleriofoundation.org
Congress website www.brainandspinesymposium.com

Please contact the scientific committee if you have a concern or any questions: info@latinoamericavaleriofoundation.org

It is a requirement that all candidates must be register in the Congress (resident fee registration).

Information for Student, Resident, Interns:

If you are a medical student, intern, resident, or fellow doctor conducting the research as part of his training, as a doctor during the time free from medical school, or even as an elective in school of medicine or residency, we invite you to consider the presentation of a project of research on podium or on poster this year. If you want to participate, please send an abstract (title, authors, <1/2-page description) electronically to info@latinoamericavaleriofoundation.org no later than May 20th, 2026.

Poster space is limited. We will notify you on May 28th (or before), 2026 if your poster has been accepted.

Special Congress Award: Symposium Registration will be 50% off + 1 free night at the hotel hosting next symposium (***) by each author for the top 10 summaries. (a maximum of 2 authors are allowed for the award per abstract)

*** Reservations will only be accepted up to 2 weeks before the next symposium.
